Section 6. Quorum for any Action Authorized Under Section 4 and 5. The quorum required for any action authorized by Section 4 and 5 hereof shall be as follows:
At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies, entitled to cast fifty (50) percent of all the votes of the membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirement set forth in Section 4 and 5, and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual dues assessments. Due Dates. The dues for any year shall become due and payable on the first day of January of said year, and shall be delinquent if not paid by January 31, and incur a .5% per month interest charge starting January 1.

The due date of any special assessment under Section 4 hereof shall be fixed in the resolution authorizing such assessment.

Section 8. Duties of the Board of Directors. The Board of Directors of the Association shall prepare a roster of the properties and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner. Written notice of the assessment thereupon shall be sent to every Owner subject thereto. The Association shall, upon demand, furnish at any time to any Owner liable for said assessment a certificate in writing signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 9. Effect of Non-payment of dues or special assessments: The Personal Obligation of the Owner; The Lien; Remedies of Association. If the dues or special assessments are not paid on the date when due (being the dates specified in Section 7 hereof) then such dues or special assessments shall become

delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, thereupon become a continuing lien on the property which shall bind such property in the hands of the then Owner, his heirs, devisees, personal representatives and assigns. The personal obligation of the then Owner to pay such dues or special assessments, however, shall remain his personal obligation for the statutory period and shall not pass to his successors in title unless expressly assumed by them.

If dues or special assessments are not paid by January 31, dues or special assessments shall bear interest from the date of January 1, at the rate of six (6) percent per annum, and the Association may bring appropriate civil action against the Owner personally obligated to pay the same or to foreclose the lien against the property, and there shall be added to the amount of such dues or special assessments the cost of such action. In the event a judgment is obtained, such judgment shall include interest on the dues or special assessments as above provided and a reasonable attorney's fee to be fixed by the Court together with the costs of the action.

Section 10. Subordination of the Lien to Mortgages. The lien of the dues or special assessments provided for herein is effective from and shall relate back to the date on which the original Declaration of Covenants for the Lot were recorded; however as to first mortgagees of record, the lien is effective from and after recording the claim of lien in the public records of Leon County.

(This restriction does not bestow upon any lien, mortgage, or certified judgment of record on the date of this Amended and Restated Declaration of Covenants and Restrictions, including a lien for unpaid assessments as provided herein, a priority that, by law, the lien, mortgage or judgment did not have before the date of this Amended and Restated Declaration of Covenants and Restrictions.)

Section 11. Exempt Property. The following property subject to this Declaration shall be exempted from the dues or special assessments, charges, and liens created herein: (a) all Common Properties as defined in Article Two hereof; (b) all properties exempted from taxation by the laws of the State of Florida, upon the terms and to the extent of such legal exemption - Homestead Exemption - shall not be considered an exemption.

Notwithstanding any provisions herein, no land or improvements devoted to dwelling use shall be exempt from said dues or special assessments, charges or liens.

ARTICLE THIRTY FOUR **EXTERIOR MAINTENANCE**

Section 1. Exterior Maintenance. In addition to maintenance upon the Common Properties, the Association shall have the right to provide maintenance upon every lot under Article One hereof. Such maintenance may include paint, repair, replace and care of roofs, gutters, downspouts, exterior building surfaces, and other exterior improvements, the mowing of grass and weeds, the trimming of shrubs, or the removal of dead or diseased trees, trash and litter.

Section 2. Procedure.

(a) Reporting. Maintenance issues shall be reported to the ACC.

(b) Investigation. The ACC will investigate the report within one week and if a maintenance issue exists it will proceed to step C.

(c) Contact and Resolution. The ACC will contact the owner in person, by phone or email to notify them of the maintenance issue. If the ACC is unable to contact the owner or if this contact fails to resolve the

maintenance issue within a reasonable period of time (not less than 2 weeks), the ACC will notify the Board of the issue. The Board will send a certified letter to the address notifying the owner of record of the maintenance issue, the previous contact, and notification that if the issue is not resolved within 2 weeks, the Association will resolve the issue and assess the owner for the cost.

Section 3. Assessment of Cost. The cost of such maintenance shall be assessed against the Lot upon which such maintenance is done and shall be added to and become part of the annual maintenance assessment or charge to which such Lot is subject pursuant to Article Thirty Three, and, as part of such annual assessment or charge, it shall be a lien against said property as heretofore defined and limited, and a personal obligation to the Owner, as heretofore limited, and shall become due and payable in all respects as provided herein.

Section 4. Appeal. The owner may make an appeal to the Board contesting the maintenance issue, cost of resolution charged, and/or fine. Board may establish policies to hear appeals.
