BOARD BUSINESS and UPDATES

PRESIDENT – Trees and Common Elements

Jeff Clark

The words "thank you" seem so entirely inadequate, considering the outpouring of sympathy that I've received from the Briar Creek community in recent weeks. Friends, family and neighbors have asked me if I have any intention of moving. I do not. As I stated at April's BC I Board meeting, "What kind of fool would consider leaving a community so full of love, understanding and support?" I could not have made it through the past few weeks, nor will I get through the next few months, if it weren't for this amazing community.

And yet, amazed as I might be, David would have been completely dumbfounded by such a response. When I told David that he had been selected to be the Grand Marshall for the St. Patrick's Day parade, he was on his computer, typing yet another email, all in capital letters no doubt...😉). His head slumped to the keyboard, and he started to cry. He tried to tell me something and at first, I couldn't understand him. He finally composed himself and said, "Why are these people being so kind to us?" As much as David loved Briar Creek, the love you expressed in return was something he felt unworthy of. Just an odd and quirky trait among many, all of which I will treasure the rest of my life. A lifetime that will be spent right here, in the finest community one could ever hope to find.

VICE-PRESIDENT, Lawn Maintenance

Kim Stoltz

May is here and the sign of summer, along with the rainy season, will soon be noted with the return of weekly mowing.

Mow dates for May should be every Tuesday…….

Tuesday, May 4, 11, 18, 25. Please put your red boards out before 8 am on these dates if you do not want your lawn serviced on that day. Red boards should be removed at the end of the mowing day.

If you do not want your lawn mowed because of wet, soft grass, or maybe it's too dry, or you just put in seed or fertilizer, no worries. Simply place one of the new RED BOARDS in your front yard and the lawn company will not mow your lawn. The Board is $4 and is yours forever, no matter who the contract lawn company is. It comes complete with ground stand and I will deliver it to you directly. There are only a few left so please contact me if you would like one.

If anyone has any other concerns, please feel free to contact me. Call or Text 815-514-1110.

Be safe, be kind.

SECRETARY – Sales and Leases

Connie Potter-Holmes

Have you met your 'new' neighbors? As we begin this beautiful season of warmer weather and all the leaves (and blooms) have fallen, it's time to get outside and see what has changed. Many of our Briar Creek residents are now fully vaccinated with the Covid-19 vaccine and we are trying to find the 'new normal' just like everyone else in the world.

We have had several homes change hands in the past year, even with Covid keeping us inside. Some have been able to come in immediately and some may not be here until the fall. If you see someone walking by your house and you don't recognize them, it could be they are recent additions to Briar Creek. Introduce yourself and make a new friend(s).

I just wanted to remind you that at the Annual Meeting in December, the community voted to update our documents so that ONLY individuals could buy in Briar Creek I. No longer will an LLC or corporation be allowed to purchase in our community. We are a community of homeowners and we are excited to keep it that way. This does not affect any LLC or corporate owners that purchased previous to this change in our documents.

Our documents also allow for only a 10% (31) rental rate for Briar Creek. We are a much 'sought after' community because of our less visible location. The prices of homes in BC I have also increased significantly. Please note that if you plan to sell your home, you must follow proper protocols which can be found in your documents, since not everyone qualifies to live in BC I. We are very thankful for our 55+ status and the perks it gives to every owner. Enjoy!

DIRECTOR - Inspections & Architectural Requests

Lynn Lijewski

Home Inspections are coming along great and so are the Architectural Requests. Our Park is beginning to come alive with new things being done to homes and yards. That might be the reason so many want to live in here as well as the great people who make it even better.

Just a reminder to those who have had their home inspection done to please indicate on the copy of your Home Inspection Report the date work was completed, sign it, then return it to the office.

BRIAR CREEK TRAVEL CLUB for BC Phases I & II

Gene Arend, on behalf of your Travel Team - Carol K, Carol R, Donna, Gene, JoAnn, Peggy, Toni

We held a Travel Club Meeting on March 29th which included approximately 60 – 80 members from all of Briar Creek. The Club Team of Carol Michaelis, Carol Rodrigues, JoAnn Barr, Donna Hartin, Peggy Raynor, Toni Beaton and Gene Arend is now formed to serve all Briar Creek residents, family and friends. During the meeting, several future trips were suggested and discussed. A questionnaire was passed around and many selected some future ideas.

Our current trips which are posted on both Clubhouse bulletin boards are the Early Bird Dinner Theater, June 13th, NCL Dawn 11-day Cruise February 9th and recently added, a combined trip to EPCOT and Stetson Mansion with a stop at Disney Springs on our way back to Briar Creek planned for November 15th and 16th. Peggy also planned a Sunset Dolphin Cruise from Dunedin on April 26th which we will report on in the next Bugle/Media. Many have contacted us through email to be added to our mailing list so they can, from time to time, receive information on the trips. We have a trip to Red Barn & Ellenton Mall with bus transportation, lunch at Der Dutchman Restaurant and a fun day of shopping on May 28th. If you're interested, please contact us at travel@upcsportshub.com for more details.

We have posted two possible trips. Should there be enough interest in these trips we will obtain a contract from the respective agents. There are sign-up sheets posted so we can pool those who might be interested. One is a 15-day trip which starts by flying into Las Vegas, then leaving by bus and touring all of the sites and canyons through Colorado, North Dakota, Wyoming, Montana, Utah and returning to Las Vegas. The other is a Cruise with embarkation in San Diego with ports at San Francisco, Santa Barbara, Astoria, Seattle, Ketchikan and disembarkation in Vancouver. It is suggested that some may wish to fly into San Diego one day earlier to enjoy the city and at disembarkation in Vancouver, arrange a two-night hotel. This allows part of the day to see Vancouver then the whole next day to fully explore Vancouver or take the ferry to Victoria Island to see Butchart Gardens, Tea at the Fairmont or Whale Watching. These and all details on planned and suggested trips can be found on www.upcsportshub.com . Inquiries can be sent to travel@upcsportshub.com . For more details contact Gene Arend or visit www.upcsportshub.com and click the travel page.

LINE DANCING

Helen Coar

Line dancing is back on the schedule. Come enjoy the music and exercise every Wednesday, 6:30 pm to 7:30 pm. Will have instruction for beginners at 6 pm as needed.

ENTERTAINMENT

Kim Stoltz

As we all know, the Picnic was in April, and boy, what fun! Hope everyone had a great time. The entertainment was awesome and I heard from many of you that the food was great.

Mary Kay sure did a great job in getting my feet wet and showing me the ropes. She still believes she's retiring, lol! We will let her think that for now, or until summer is over. Seriously though, Mary Kay deserves a great big THANK YOU for all she has done for entertainment here at Briar Creek! I'm learning from the best and hope I can continue to bring her enthusiasm to the position.

We do have a Hostess Party in the works for Saturday May 1st. There is a poster and a signup sheet in the Clubhouse. Jean Richter is a contact for this event.

Entertainment will be hosting a "Memorial Day Celebration" at the Clubhouse on Memorial Day, Monday, May 31st from 12 to 4 pm. Memorial recognition will take place before the start of the event. If anyone would like to speak about those that gave their life so we could enjoy such a day, please reach out to me. we will then kick start the summer while saluting those that made it possible. There will be Music, Hot Dogs, Chips Watermelon, and Ice Cream. BYOB and dancing are permitted. Sign up in Clubhouse. The cost is $5.00 per person. Hope to see you there!

MIXED POKER GAMES

Martin Shapiro

This activity takes place every Monday, 6 to 9 pm. Come join in the fun.

BRIAR CREEK BIRD WALK for BC Phases I & II

Bill Kaempfer

Did you know that over 100 bird species have been identified in Briar Creek and more than 200 at the nearby Possum Branch Preserve. Let's take a Bird Walk and start enjoying our wildlife.

Join me on the second Tuesday of every month for a 60 to 90-minute walk around Briar Creek to see what bird life there is around here. We will **meet at the BC 1 Clubhouse** at 8:00 a.m. Bring binoculars and good walking shoes. You may contact me at (303) 717-5063 or kaempfer@colorado.edu for more information.

BINGO for BC Phases I & II

Kim Stoltz

Bingo has been going well. We are seeing familiar faces and newcomers alike. It is so nice to get together safely and enjoy each other's company.

We will continue with Bingo until Tuesday, May 25th inclusive. It will be a special session with surprises, so save the date.

Bingo is open to all Briar Creek residents in both phases and their guests. You must enter the Clubhouse with a mask on, and keep it on until you purchase your cards, and supplies etc. If you are fully vaccinated, you may remove your mask after you sit at your table. We are asking anyone that has not been vaccinated to keep their mask on for their own safety, as most of our residents have been vaccinated and are starting to venture out.

FYI – Next year, we will be offering a food menu at every Bingo. Food will start being served at 4:30 and will end after intermission. Exciting things are coming!

Thank you to everyone for the help and support I have received while learning to manage Bingo! First and foremost, thanks to Jean and Jerry Richter, they were amazing. They deserve a big round of applause for all the years they have dedicated to Bingo. It is a lot of responsibility and takes much time and dedication.

I also want to personally thank all the volunteers and callers without whom Bingo would not exist. Big shout out to Al and Donna Hartin, Pat Rivera, Andy Philyaw, Donna Burch, Kim Ramalho, Kathy Wawrzyniak, Beverly Wilson, Dawn Spence, Tina Encalado, Toni and Don Beaton, Carol and Tony Marsella and everyone that lent a hand and answered my silly questions. I hope and pray you will all be here next year as well!!!

Be safe, be kind.

Home Inspections

Round three of home inspections is now complete. Third notice checklists have been forwarded to Progressive Management for review.

Having said that, the home inspection process continues throughout the year. Your house may have passed the January inspection with flying colors or you may have worked hard to get everything ship shape for February or March. But weeds continue to grow. Leaves and branches keep falling into gutters and on lawns and rooftops. Bricks and siding get dirty or stained with mildew (especially on the north-facing side of the house.) Trees and shrubs explode with new growth in spring and summer. The end result is that your once perfectly manicured landscape and your formerly spotless house may need a little attention once again.

While we will not be conducting the formal 360-degree property inspections that we did in January, you may receive a notice with regard to any areas that can be seen from the street or a neighbor's house.

Please keep in mind that notices are not sent to insult or single anyone out. They are simply a reminder for everyone to do their part to keep Briar Creek II beautiful all year long.

Thank you,

Jim Tashjian

Condo Documents Updating Completed

Jody Larson

As most of you know, the Briar Creek II Documents Committee has been working to update our By-Laws, Restrictions, and Declaration of Condominium. Updating meant reading the documents from beginning to end, correcting errors, making sure the information reflects amendments over the years, and checking against the most recent Chapter 718 of the Florida statutes, which regulates condominiums. Our committee met the deadlines, and the Board has accepted all three changed documents as of April 6.

I would like to thank Jean Schmidt, Ellie Prevost, Sheena Lee, Billie Berry, and Alan Merando, my fellow committee members, who worked tirelessly through the months. We also had help and input from Dick Little, Sam Oliverio, Bob Raynor, and Arnold Grohskopf.

The documents have now gone to Progressive Management so the changes can be input into the masters and be reviewed by both the management and the legal department. We are hoping that all can be accomplished by the fall so that the revised documents can be on the ballot for the annual meeting.

Jody Larson, Chair of Doc Committee

4. Has your doctor called you to explain your risk of coronavirus?
5. Is your doctor's office offering doctor phone visits?
6. Does your doctor allow walk-in visits?
7. Are you able to call your doctor anytime, day or night?
8. Do you have any difficulty getting to and from your doctor?

10. Is your doctor offering to help you get your medications delivered?

BINGO

Al Merando

Phase II Bingo
Phase II Bingo resumed under new leadership!!!

Phase II Bingo resumed on April 19th! It was great getting together again with friends and fellow bingo players. Ongoing dates will be announced depending on our participants and volunteers.

Many of our former bingo volunteers have moved away or retired from bingo after years of supporting this activity. We are looking for new volunteers to sell cards, do call backs, and/or be bingo-callers. **You don't have to play bingo to be a volunteer……it is a great way to meet your neighbors and other residents of Briar Creek!**

For new residents, bingo is held on Monday evenings from 6-8pm (clubhouse doors open at 5pm). It generally begins in the fall and runs through April or May. If you are a snowbird, you can still volunteer during the months that you are in Briar Creek. Training is provided for people who have not volunteered previously. We try to limit your volunteer time to once a month unless you tell us you are available more frequently.

- Persons who sell bingo cards work from approximately 5-5:45pm.
- Persons doing call backs and bingo callers work from approximately 5:45-8pm on the evenings assigned.

REMEMBER, WE CANNOT HAVE BINGO UNLESS WE HAVE ENOUGH VOLUNTEERS TO RUN THE GAMES!

So, if interested in becoming a volunteer, please contact Al or Diane Merando by email @ a228380@yahoo.com; by phone at 727-799-2147; or just drop by Bingo and let us know you are interested! Thanks.

REMINDERS:

Overnight Parking in the street is NOT allowed.

Daytime Parking – please **Park on ONE SIDE of the street** in your area. This will keep our streets open for Emergency Vehicles.

Visitor Parking is at the clubhouse on the side of the shuffleboard courts, (grassy area). Please put the VISITORS PASS in the front windshield. Residents who do not have the pass can contact a board member. Parking in an empty carport is NOT allowed without permission.

STOP at ALL STOP SIGNS, and, our SPEED LIMIT is ***15MPH.*** Your help is greatly appreciated.

"FOR SALE" & "FOR RENT" Signs are restricted to "14" X 12" and may be posted inside a STREET SIDE window only of the mobile home unit. No other signs of any kind shall be displayed."

TREES

If you have trees that overhang any street in the community you must keep them trimmed to 14 feet above the road. This allows for the passage of fire equipment, rescue vehicles, and trash trucks to get in without hitting them. Please look at your trees and if they overhang the street allowing less than 14 foot clearance make arrangements to get them trimmed to the proper height.

LEAVES

Residents are responsible for raking the leaves on their property. You can bag them and put them out on Monday for pickup or you can place them in cans and they will be picked up on Wednesday.

The lawn service does not pick up leaves.

From your Clubhouse Librarians

Billie Ann, Ruth, and Bill

Thank you, thank you to all the BC2 readers who have followed our requests to leave books being returned in the card table room. That has made it so very much easier for us to make sure the library books are as clean and sanitized as possible.

,...continued on page 32

The library continues to be a very well used resource, with many people borrowing both the books and the puzzles on the shelves, as well as being a place for residents to donate books, puzzles and DVDs. Over the last couple of months we have received a large box of DVDs, many of them never even opened and these are located in the cabinet with doors near the hard bound books.

Most recently, we have received another large collection of books by Louis L'Amour, mostly Westerns. By the way "Louis L'Amour is the only novelist in history to receive both The Presidential Medal of Freedom and the Congressional Gold Medal. "

Many thanks to the donors. These items are already on the shelves for you to borrow.

That's the good news. On the less good news side, until the state and county "powers that be" decide that a sufficient number of Floridians are protected from the Covid virus and we are given authorization to resume our normal lives, we will need to continue the current protection practices including sanitizing returned items and limiting the number of people in the library at one time. Surely this will all end soon.

Meanwhile, Happy Reading, Puzzling, and DVD watching.

Briar Creek Resident and Phone Directory

Sheena Lee

May 2021 Update on the Briar Creek Resident and Telephone Directory

Late in March I sent a message to Dial Directories, the people who publish the Phone Directory, to find out when the next Directory will be available. The BC2 text was submitted at the beginning of February, and I had been told that we could soon have the new edition. Unfortunately the response I received on March 30 was that they were waiting for an advertisement change from a current advertiser. The advertising money pays for the publication so the delay is understandable.

The attached list does include some changes that are in the new Directory and I had hoped that they would already be available to you. Given the delay, I am including them here. Some phone numbers are not included, pending the receipt of a waiver.

Skolnekovich, Gerald & Kathryn. New residents at 142 Vinewood Dr.
Smith, William & Christopher, Karen. New residents at 115 Briar Creek Blvd.
Chabot, Philip & Gisele. Moved from 80 Hickory Branch Ln to 48 Birch Creek Dr. 796-7896 (phone number unchanged)
Gaylor, Stephen & Sherman, Victoria. New residents at 80 Hickory Branch Ln.
Marshall, Brenda. 159 Clubview Dr. No longer a resident.
Peischl, Gary. 159 Clubview Dr. No longer a resident.
Zimmer, Greg & Dorenda. Moving from 102 Natures Tr to 159 Clubview Dr.

Neighbor to Neighbor

Linda at lme@iquest.net and Ellen at ellenreports@yahoo.com

We want to thank Sheena Lee for her "A Year to Remember" reflections on "COVID times" in the April 2021 Bugle. We liked her summary, "...there have been tough times, we've done well and living in a community like Briar Creek has helped us on our journey through the year of COVID."

Attending the life celebration for Dave Doran prompted us to think about all the past and current exceptional neighbors who give of their time and talent for the betterment of Briar Creek. This includes Board of Directors Members, Social Club Officers and others who have volunteered to make Briar Creek the wonderful community we love. Without them, the rest of us would have to make a contribution to accomplish what they do.

We are also grateful for those neighbors who "pay it forward" in individual acts of kindness, looking out for their each other, freely lending a hand, and respecting their neighbor's space.

Every year can be a "Year to Remember" with our great BC volunteers and neighbors!

Make it a great day in the neighborhood!

Ellen (ellenreports@yahoo.com)
Linda (lme@iquest.net)

Turtles and Tortoises

Jody Larson

The main difference between turtles and tortoises is that turtles swim and spend time both in and out of the water, while tortoises can't swim and they live on land.

Photo A: Gopher Tortoise. When a Floridian talks about a gopher, they usually mean this tortoise. They live in burrows and are a protected species in Florida.

Photo B: Florida Softshell Turtle. We have plenty of these in the ponds. Their shell is flatter, and they have long necks with a funny, tube-like snout. During spring they tend to go from one pond to another. They can try to bite and claw if afraid.

Photo C: Florida Box Turtle. These have a high domed shell with distinctive yellow markings. They live in damp areas, and they can swim but prefer sitting and resting in or near shallow water.

Photo D: Common Snapping Turtle. There is a Florida Snapping Turtle that looks similar. These have flattened shells and very long necks. Their mouth has a beak in the front. I haven't seen any snappers, but that doesn't mean they aren't around. They tend to stay in the water.

If you're unsure about whether a turtle is a snapper or a softshell, it's best to keep your distance! Also, never try to lift a turtle by its tail — the tail can be broken or damaged.

Travel Club

Peggy Raynor & Carol Rodrigues

We are amazed at the number of our residents who are ready to start traveling now that they have been vaccinated. With the joint efforts between Phase I and II, our Travel Team (Gene Arend, Jo Ann Barr, Toni Beaton, Donna Hartin, Carol Michaelis, Peggy Raynor and Carol Rodrigues), has been working on a variety of travel opportunities that should be appealing to most everyone. We gathered some great suggestions and ideas from our Travel meeting on March 29th that included about 60-80 residents from Phase I and II.

Posters and sign-up sheets for all trips are posted on the bulletin boards in both clubhouses. Planned trips include: April 26th - Sunset Dolphin Cruise, Dunedin (SOLD OUT!); May 18th - Sunken Gardens, St. Petersburg; June 13th - Early Bird Dinner, Clearwater and November 15 & 16 - EPCOT, Stetson Mansion & Disney Springs. Proposed trips include: 15 day Las Vegas to Las Vegas trip to include touring various sites and canyons in Colorado, North Dakota, Wyoming, Montana and Utah; Cruise from San Diego with stops in Santa Barbara, San Francisco, Astoria, OR, Seattle, WA, Ketchikan, AK with departure from Vancouver. Once we determine interest in these two trips, we will explore booking dates.

The information above is also listed in the Travel Club section on the website: www.upcsportshub.com An email can also be sent to this website with any questions or to be added to our Travel Club Distribution List.

Humane Society & the Haven

Barbara Bergling

Briar Creek residents are the most generous people I have ever met. Thank you all for your donations to the humane society and to the Haven. During this time few people are traveling, but you are still going to the dentist. If you don't use the toothbrush, floss or toothpaste, consider donating them to the Haven. The Humane Society can always use old bath towels, blankets and decorative pillows that you no longer want. As always, you can drop any contributions off inside my screen room. 93 Briarwood Pl.

Thanks again

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."
